2. Alteration in Risk

You or **Your** broker must tell **Us** immediately if during the **Period of Insurance** there is any alteration in risk or to the facts which **You** disclosed when **You** took out this policy, which materially affects the risk of injury, loss, **Damage** or liability which would fall within the policy cover. This includes but is not limited to alterations to the **Business**.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** told **Us** about the alteration in risk. For example, if the premium which **You** actually paid is **70%** of the premium **We** would have charged, **We** will only pay **70%** of any claim.

3. Average

If at the time of any loss the total Sum Insured specified in the **Schedule** is less than 85% of the total value of the property insured **We** shall bear only that proportion of the loss which the total Sum Insured bears to the total of the property insured.

General Conditions

continued

11. Fair Presentation of the Risk

You must make a fair presentation of the risk when **You** first take out this policy and also whenever **You** renew it or ask **Us** to change **Your** cover.

If **You** fail to make a fair presentation of the risk including failing to disclose or misrepresenting a material fact, or disclosing material facts to **Us** in a way which is not clear and accessible **We** may avoid this policy and refuse all claims where:

- (a) such failure was deliberate or reckless; or
- (b) **We** would not have entered into this policy on any terms had **You** made a fair presentation of the risk.

Should **We** avoid this policy **We**:

- (a) Shall treat the policy as if it had not existed from the start date, the renewal date, or the date when **You** asked **Us** to change **Your** cover, depending on when the failure to make a fair presentation of the risk occurred
- (b) shall return the premium paid for the period for which the policy is treated as not having existed unless the failure to make a fair presentation of the risk was deliberate or reckless
- (c) may deduct from any return of premium due to **You** any monies already paid in respect of claims falling within the period for which the policy is treated as not having existed or require **You** to repay such claims.

Provided that any failure to make a fair presentation of the risk is not deliberate or reckless, if **We** would have entered into or renewed this policy, or agreed to make changes to **Your** cover on different terms had **You** made a fair presentation of the risk, **We** may:

- (a) proportionately reduce the amount payable in respect of a claim; and/or
- (b) treat the policy as if it contained such different terms (other than relating to the premium) that **We** would have applied to the policy had **You** made a fair presentation of the risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the policy started, was renewed or when changes were made to **Your** cover, depending on when **You** failed to make a fair presentation of the risk.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** made a fair presentation of the risk. For example, if the premium which **You** actually paid is **70%** of the premium **We** would have charged, **We** will only pay **70%** of any claim.

Where this policy provides benefits to individuals who would, if they had taken out similar insurance in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession, **We** will not rely on this condition if the failure to make a

fair presentation of the risk concerns only facts or information which relate to that particular individual, unless the individual (or **You** on their behalf) makes a careless misrepresentation, in which case **We** may rely on this condition as against that particular individual as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

12. Reasonable Precautions

You must:

- (a) take all reasonable precautions to prevent or minimise **Damage** accident or injury
- (b) maintain in good condition all **Tools** and equipment and shall comply with all statutory and local authority requirements including relevant Building Regulations Codes of Practices and Standards

If payment of a claim is conditional upon compliance with any term of this policy **We** will not pay for any claim where the term has not been complied with except where the term concerned:

- (a) is operative only in connection with particular premises or locations;
- (b) is operative only at particular times; or
- (c) is intended to reduce the risk of particular types of injury, loss, **Damage** or liability

where **We** will pay for claims in respect of which **You** can prove that non-compliance with the term could not have increased the risk of the injury, loss, **Damage** or liability which occurred.

14. Sanctions

We shall not provide cover or be liable to provide indemnity or pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **Us** or any member of **Our** group to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of any country.
